

## Bugari 29 M "Lady P"

Lady P is one of the finest custom build yachts on the market. Fully certified under ABS (American Bureau of Shipping) and with an astounding 5200 NM transatlantic range, she is excellently suited for long ocean passages in the A1 and A2 sea areas. Her bull bow and excellent noise reduction make this an ultra comfortable long distance super yacht, even in rough seas. and while at anchor her zero speed stabilizers, upgraded in 2013, provide for comfortable living aboard.

She has a rigid steel hull with aluminum superstructure and the interior has hand crafted to the smallest detail. Cherry and Briarwood is complimented by the natural leather and silk.

Lady P offers the unique combination of manageable size, also in terms of crew, and mega-yacht characteristics and equipment. You will not be able to find another yacht of this size with the all the amenities and systems that this exquisite motor yacht has to offer!
